Hutcheson's Leaf Tobacco Warehouse

Sixth and Cary Streets, Richmond, Va.

I make a specialty of Virgin'a Sun-Cured Tobacco. New reinforced concrete warehouse, absolutely fireproof. A trial shipment will convince you that it is to your advantage to patronize Richmond's new warehouse, the finest in the United States.

Don't believe what knockers tell you. Every knock is a boost, and the trade at this warehouse is increasing daily. Ship your tobacco and come down and see it sold. This will convince you.

This house has sold its portion of this year's crop up to this time this season. Does not this speak well for the first year at our new location?

The bear side is doing its best to destroy builtsh sentiment in the distant months by the contention that it is being made part had parcel of the manipulation going on in the old crop positions. The bears, as well as many conservative traders, are of the opinion that there is yet plenty of time in which to plant a full acreage. During the week many market letters cited instances where last season cotton plant.

terests—Factors in Outlook. New York, March 16.—Increased active weaken the Southern spot markets trivity with an advancing tendency to judices was the feature of the trading in the cotton market the past week. Cold, wet weather throughout the belt, the feltire of the British coal miners in the feltire of the British coal miners in strike to depress the Liverpool markets, and the continued large export clear and the continued large export clear and the continued large export clear the continued large export clear and the continued large export clear to builtsh that the markets are termed as technically long, and therefore in continued and published the continued interests. It remains to be seen what effect a rise to over 11 cents would have toward influencing interests. Their activity not only in the support of the advance, but willingness to interease their lines in a curresponding manner discouraged speculative sellers by the bear clear. The New Crop Stuntion.
